Professional Summary

Entry-level **Associate Software Developer** with hands-on internship experience in **software development, SDLC automation, and AI-assisted code review systems**. Strong problem-solving and communication skills with practical exposure to backend development, GitHub-based workflows, and digital integration solutions.

Technical Skills

- **Languages:** Java, Python, JavaScript (ES6+)
 - **Backend:** FastAPI, Basic Node.js, REST APIs
 - **Frontend:** HTML5, CSS3, Bootstrap 5, Responsive Design
 - **Database:** MySQL (CRUD, joins, query optimization)
 - **AI & Data:** OpenAI APIs
 - **Tools:** Git, GitHub, VS Code
 - **Practices:** SDLC, debugging, code review, CI/CD basics
-

Internship Experience

Software Development Intern

Coastal Seven Technologies Pvt. Ltd. - Nov 2025 – Jan 2026

Internship Completed - Worked on backend and AI-assisted automation projects aligned with the **software development lifecycle (SDLC)**. - Contributed to designing and implementing **code review and integration agents** to improve development efficiency. - Collaborated with mentors and team members, incorporating feedback and following coding standards. - Gained hands-on experience with GitHub-based workflows, debugging, and API integration.

Key Projects

AI Code Review Agent | Python, FastAPI, GitHub APIs, AI Models

- Developed an automated system to analyze source code repositories and identify potential issues.
- Implemented intelligent fix suggestions to reduce manual code review effort.
- Generated detailed scan and change reports to improve code quality and consistency.
- Integrated the solution with GitHub workflows as part of SDLC automation.

AI SDLC Integration Agent | Python, FastAPI, GitHub, CI/CD Concepts

- Built an integration agent to automate repository cloning, analysis, and reporting.
- Connected multiple development stages including code analysis, review, and reporting.
- Improved development transparency and productivity through automation.

Personal Portfolio Website | HTML, CSS, JavaScript, Bootstrap

- Developed a responsive, mobile-first portfolio and deployed via GitHub Pages.

Gold Finance & Shopping Website | HTML, CSS, JavaScript, Bootstrap

- Created a responsive website with interactive UI components and optimized UX.

E-Commerce Website (WordPress) | WooCommerce

- Customized store features, integrated payment gateway, and improved performance.
-

Education

MCA – Master of Computer Applications (2023–2025)

Acharya Nagarjuna University, TJPS College (PG), Andhra Pradesh

BSc – Bachelor of Science (2020–2023)

Acharya Nagarjuna University, TJPS College (Degree), Andhra Pradesh

Certifications

- Front-End Web Development (HTML5, CSS3, Bootstrap, JavaScript)
 - MySQL Fundamentals (database creation, querying, optimization)
-

Strengths

Problem-solving • Communication • Learning agility • Team collaboration
